

### What is BlastBall??

- Simple concept utilizing the skills of Softball
- A revised modern version of T-Ball
- Children hit the ball off of a T-Ball stand & run to a honking base (1<sup>st</sup> base)
- Fielding players must yell "Blast" after fielding the ball, before the runner honks the base
- Numerous variations to the game can be implemented depending on the skill level of children
- Game difficulty is directly related to children's skill level
- Smaller teams promote lots of play & practice time to utilize their skills
- All equipment is indoor safe (foam bats & balls)
