

Equipment Information Squirt/Pee Wee/Bantam

As part of the Fighting Saints, the players are issued a jersey for the season. They also wear black Russell shorts, red socks and a visor which they purchase themselves. There are a few other items that the girls will need so in an effort to make it a little easier we put together a list.

- Black Russell Shorts
- Sliding Shorts (black, red or white)
- Sliding Knee pad for dominate sliding leg or both legs (black, red or white)
- Socks (solid red)
- Gill cup (catchers and pitchers are mandatory)
- Cleats - or good running shoes
- **Batting Helmet with face mask** - the face mask is mandatory in the Fighting Saints zone. You can buy a face mask for your existing helmet or if you are buying a new helmet get one with the face mask already attached.
- Optional Long sleeve black apparel (without writing on the arms) for wearing under their jerseys on the colder days. Some girls wear Under Armour, the Firststar Performance Apparel or the long sleeve black Gilden shirt.
- Fighting Saints Visor or Hat (purchase/order from the Saints club)
- Ball glove
- Softball Bat (optional...there are some team bats that can be used)

The list of items may seem overwhelming but you will find that quite a few of the items will last a few seasons and the shorts and long sleeve black apparel is multi-purpose. Check out the second hand equipment table at evaluations and uniform pick up for some great deals!

The shorts, Firststar Performance Apparel, black Gilden long-sleeve shirt, solid red socks can be purchased through the Fighting Saints clothing order **only at a designated time** or from a sporting goods store along with the rest of the items. Western Cycle does give a 20% discount if you let them know you are with the Fighting Saints.

If you have any questions please ask either your coach or someone with the Fighting Saints executive.

Have a great Season!
